

Pack's Shuttle LLC (UBI# 604-030-516) closed its business licensing and taxes account through Dept. of Revenue on October 2, 2018. Pack's Shuttle also sold its vehicle (that required charter and excursion authority) on October 2, 2018, and provided staff with a copy of the bill of sale. According to a notarized statement, and Nathan Pack's testimony, Pack's Shuttle LLC was officially sold to the new buyer on October 2, 2018; however, the new buyer had been paying \$500 per month to purchase the company since September 1, 2017.

Hopefully this can clear up any remaining confusion.

I will give you a call in a few minutes to follow up.
